## Abstract

captions should be centered above the table body.

This sample document provides the authors with information and instructions to prepare camera-ready submission to the 19<sup>th</sup> Conference on Intelligent Living Technology. Accepted papers will be published in conference proceedings with an abstract version in print copy and a full version in CD. Failure to follow this format may result in a submission being rejected for publication.

**Keywords:** No more than five items.

## 1. Introduction

The size of the paper should not exceed 8 printed pages in two columns including figures, tables and references. Extra pages will be charged NTD. 500 per page. You should submit an abstract version (for print-copy) and a full version (for CD) of your camera-ready paper via website <http://ilt2025.ncut.edu.tw/> before **March 21, 2025**, in order to ensure the inclusion of your paper in the proceedings.

## 2. General Guidelines

The paper must be written in Chinese or English, A4 paper, single-spaced, justified, with a font size of 10pt, in Times New Roman.

The title should be written centered, in 16pt, boldface Times New Roman, initial capital letters. It should be single spaced if the title is more than one line. The authors' names, affiliations, and e-mail addresses should be written centered, in 12pt, boldface Times New Roman.

Set first-level headings in the text to the left, typed in 12pt, boldfaced and all capitalized letters. Sub-headings greater than first-level headings should be typed in 11pt, boldfaced with initial cap for first word. Be sure to leave a single line above and below each heading to separate it from the text.

### 2.1 Figures, Tables, and Equations

All figures and tables should be numbered consecutively and captioned, and be placed in text as close to the reference as possible. The caption title should be written centered, in 10pt bold Times New Roman, with initial capital. Figure captions should be centered beneath the figure, and table

A displayed equation is numbered, using Arabic numbers in parentheses. It should be centered, leaving a half line space above and below as the following example illustrates.

$$Ax = B \quad (1)$$

### 2.2 Margins

The margins on each side (top, bottom, left, and right) should be 2.5cm.

### 2.3 References and Citations

References should be grouped together at the end of the paper, ordered alphabetically by authors, and referenced by numbers in brackets [1]. The body text of the references should be 10pt Times New Roman.
